# fuel consumption chart

## DISTANCE TRAVELLED

### EXAMPLE:

You've travelled 300km  
and used 30 litres. Average fuel  
consumption is 10 litres/100km

### READ OFF YOUR AVERAGE FUEL CONSUMPTION

1. Ring kilometers on 'distance travelled' line.
2. Ring fuel consumed on the 'fuel used' line.
3. Join the two ringed amounts with a straight line.

Where it bisects the 'fuel consumption' line you'll find  
your fuel consumption in litres/100km
